

Welcome to the 2018 Denver East Track & Field Season. In addition to the **Denver Public Schools/East High School Student-Athlete Participation Agreement**, Track & Field Athletes and their parent(s) or guardians will need to read and sign the following policy agreement.

Before an athlete is able to attend practice, all athletic forms and Pay to Play fees must be turned in during the Spring Sport Registration on February 5, 2018. This 2018 Track & Field Policy form must be signed and turned in to Coach Chambers.

### **Purpose and Mission Statement**

The purpose of the Track & Field Policies is to create clear and reasonable standards for all Track & Field Athletes. East Track & Field Athletes are expected to be willing to constantly strive to improve their athletic and leadership abilities. They must also come to each practice, meet, and event with a positive attitude, respect and integrity.

### **Communication**

The East Track & Field Team has a website for communication purposes. The website address is: <http://easthightrack.org>. Athletes must fill out the [contact form](#) on the East Track and Field Website. In order to receive notices of new information posted on the T&F website, athletes and parent(s)/guardians should click **+Follow** to subscribe (located in the lower right hand side of the [Denver East Track & Field](#) website). The website has information on the team, schedules, meet locations, bus departures, meet results, fundraising, coach contact info and meet photos. *It is the athletes' and parents' responsibility to sign up to **+Follow** or check the website regularly for team updates/details.*

### **Attendance Policy**

The Track & Field attendance policy is the same as East's attendance policy. All athletes are expected to attend all practices. If an athlete cannot attend practice, they must notify their coach before practice by phone, voice mail or text to excuse the absence.

Two or more **excused** absences in a week = NO competition for the week unless cleared by the head/event coaches. Any unexcused absence will result in not competing in that week's meet. Frequent unexcused absences will result in dismissal from the team.

If an athlete is absent at school the day of a meet or on the Friday before a Saturday meet, they may not compete in the meet. Athletes must have an 80% attendance record in order to receive a P.E. waiver for Track & Field participation.

### **Tardy Policy**

Practice begins promptly at 3:45, Monday through Friday. Tardies can only be excused if a student is working with a teacher, counselor, taking a test, or participating in a school activity. A note from the school official is required to excuse the tardy.

If an athlete is late to practice, he/she will need to meet with the head/event coaches. Consistent tardiness will result in being held out of meets and/or dismissal from program.

### **Practice Policy**

The 2018 Track & Field season begins on February 26, 2018. Practices begin promptly at 3:45 pm and will last to approximately 6:00 pm. Practices will not be canceled due to weather, but may be modified. Of course, if the school campus is closed due to weather, practice will be cancelled. All athletes should be prepared to workout in any type of weather and should bring hats, gloves, warm ups etc. to each practice (a list is available on the website).

Check the track website or the wall in front of Coach Kohuth's office if you are unsure if practice will be inside or outside.

### **Academics**

Academics/eligibility are a priority for the East T&F Team. See specific requirements in the school form.

### **Track & Field Study Table**

Study Table will be in the Commons (lunch room). Study Table will be available from 3:00–3:30 for all academically eligible athletes and from 3:00 to 4:00 for those who need extra support and are working to become academically eligible to compete. The study room is **NOT** a place to socialize. Athletes who excel in specific areas of study are encouraged to sign up as peer tutors. See more info on the website.

### **Transportation**

Athletes are expected to ride the bus to and from meets. If an athlete does **NOT** ride the bus, the parent(s) or guardian must communicate directly with one of the head coaches in order to check out from a meet.

### **Meets**

All athletes who are registered for a meet must attend the meet. To check the status of the athletes' registration for a particular meet, the athlete or parent can check the website at [Denver East Track & Field](#). Note that event registration and meet rosters may change, depending on team needs. Athletes are not allowed to scratch themselves from an event, they must contact their coach immediately if there is a problem with an event. If an athlete doesn't compete in a meet they are registered for, they might forfeit their future opportunities.

### **Sportsmanship & Behavior**

Athletes are expected exhibit excellent sportsperson behavior and represent East High School as an inclusive, unified, outstanding team.

- Treat fellow team members, coaches competitors, fans with respect;
- Be prepared mentally and physically to do your best during practice and at meets;

- Do not do anything that is detrimental to you. If you do, it is also detrimental to your team and school;
- Trust your coaches;
- Do not use or possess drugs, alcohol or tobacco;
- Have a winning attitude. We won't focus as much on victory, but on performance. If you perform to the best of your ability, winning often follows.

**Team Captains and Leadership Opportunities**

**Captains and Leaders**

**Captain:** representative of the team as a whole; helps with communication between various members of the track and field team including coaches. Helps with warm up oversight, coordinates with (class) leaders, acts as a liaison, but most importantly an important part of the cohesion of the team.

**Leaders:** Represents different classes within the track and field team. They use leadership to guide their teammates with teamwork to interact with fellow teammates most efficiently. Leaders are good examples or teammates and through example or respect and responsibility portray that to add to the greater good of the team.

If an athlete is interested, please write a note to your coach explaining how your leadership, athletic and work ethic skills could help the Team.

Send your note to your specific event coach via email to both head coaches: Steve Kiper, [denverlightningtrack@yahoo.com](mailto:denverlightningtrack@yahoo.com) and Brenda Chambers, [brenda\\_joi@yahoo.com](mailto:brenda_joi@yahoo.com).

**CHSAA Constitution and Bylaws**

All Athletes and Coaches must comply with the [CHSAA Constitution and Bylaws](#) .

We know the East Track & Field Athletes are committed to improving their performance, displaying a positive attitude and treating everyone with respect. We are a team! With this in mind, the above policies will be easy to abide by and the Angels will have a productive and fulfilling Track & Field Season.

Go Angels!
